

Central Park - A Community With A Purpose

[Central Park Sales Brochure \(322kb\)](#)

Central Park was created and planned to fit your new lifestyle. With the look and feel both inside and out of a single family home. 2 car attached garage, individual private driveways, private entrances for security, individual mail boxes and trash pickup. No outside work means more free time to enjoy the things you like to do. Take off for a weekend or a week without a worry about outside maintenance.
